

Heritage Christian School is fully committed to God's Word. At Heritage we teach our students to accept and respect His Word as their final authority in all aspects of their lives. We strongly believe the Word teaches us that God has ordained the Christian home and the local church and that the Christian school is an "arm" of both. Our mission is to teach and train young people to obey God's Word and live a life that is pleasing to Him, to do his will. Because of this, we at heritage feel it is vitally important that our students and their families take an active part in the local church. We do not tell them where they should attend but encourage them to go to a Bible-believing and teaching church.

As the pastor of your church, we believe you are God's chosen 'shepherd'. We want you to know that we are fully supportive of your calling and ministry and sincerely hope that you will feel genuinely supportive of our ministry. May the Lord richly bless you.
